

» Enrich

the traditional, usual and accustomed territories of Tulalip that serve as a constant reminder of the Tribe's historic connection to the land. Check our website for COVID-19 Safety Measures and Precautions and other information.

Oxbow Farm and Conservation Center

Family Farm and Virtual Farm Adventures
425-788-1134
education@oxbow.org
www.oxbow.org

Dig into food, farming, and nature with Oxbow! New for Fall 2020: Choose from a Virtual Farm Adventure for classes/groups of all kinds; or an on-site Family Farm Adventure field trip for individual households. Whether it's an interactive digital tour of our kid-friendly vegetable farm or a hands-on visit with your immediate family unit, Oxbow brings science topics to life and connects learners of all ages to the natural world.

Pioneer Farm Museum and Ohop Indian Village

Ages 4+

7716 Ohop Valley Rd E
Eatonville, WA 98328
360-832-6300
pioneer@rainierconnect.com
www.pioneerfarmmuseum.org

Escape to another century with our hands-on family tours! On the Native American Seasons tour you visit the seasonal homes of the Coastal Salish tribes who lived in the Northwest before pioneer settlers and learn how they lived in harmony with nature. Test your hunting and fishing skills, learn about gathering and food preparation, and try some crafts as you learn about their culture. Add pioneer folklore and craft to learn about early settler life.

Rain City Fencing Center

Ages 8 to adult

1776 136th Place NE
Bellevue, WA 98005
425-767-6300
